Number ST00380SE

Limitations and Conditions: (Continued)

Airplane serial numbers approved to utilize this STC and the limitations and conditions for such use are specified on Becontree Holdings Limited drawing number 7472SF0001 Revision A, dated October 22, 1997, or later FAA approved revisions.

This approval shall not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and Becontree Holdings Limited drawing number 7472SF0001 Revision A, dated October 22, 1997 must be maintained as part of the permanent records for the modified aircraft.

As each additional aircraft is modified per this STC, Becontree shall submit the supplement to the Airplane Flight Manual and the supplement to the Weight and Balance Manual to the Los Angeles Aircraft Certification Office for approval before the aircraft returns to service.
